### **ADDITIONAL REQUIREMENTS FOR MAINTAINING A U.S. TRADEMARK REGISTRATION EXTENDING PROTECTION OF AN INTERNATIONAL REGISTRATION**

**WARNING:** In addition to filing renewals of your international registration with the International Bureau of the World Intellectual Property Organization (WIPO) as required under the Madrid Protocol, your registered extension of protection will be canceled if you do not file the documents below during the specified time periods.

#### **I) SECTION 71 DECLARATION OF USE**

##### **Requirements in the First Ten Years**

**What and When to File:** You must file a declaration of use (or excusable nonuse) between the 9th and 10th years after the date of issuance of the U.S. registration extending protection. 15 U.S.C. §1141k(a)(2).

##### **Requirements in Successive Ten-Year Periods**

**What and When to File:** You must file a declaration of use (or excusable nonuse) between every 9th and 10th-year period, calculated from the date of issuance of the U.S. registration extending protection. 15 U.S.C. §1141k(a)(2).

## **Grace Period Filings**

The above documents will be considered as timely if filed within six months after the deadlines listed above with the payment of an additional fee. 15 U.S.C. §1141k(a)(3).

**Failure to file the Section 71 declaration will result in the cancellation of the U.S. registration and invalidation of the protection of the international registration in the United States.**

## **II) RENEWAL OF INTERNATIONAL REGISTRATION**

The international registration remains in force for 10 years, with the possibility of renewal. Madrid Protocol, Article 6(1). **Failure to renew the international registration with the International Bureau of WIPO will result in the expiration of the U.S. registration even if the Section 71 declaration of use has been accepted.**

Any international registration may be renewed for a period of ten years from the expiry of the preceding period, by the mere payment of the required fee to the International Bureau. Madrid Protocol, Article 7(1). The deadlines for renewing the international registration are calculated from the international registration date. Renewal applications must be filed with the International Bureau in accordance with Article 7 of the Madrid Protocol, 37 C.F.R. §7.41(a). **\*\*\* THE USPTO WILL NOT SEND ANY FURTHER NOTICE OR REMINDER OF THESE REQUIREMENTS. THE HOLDER/OWNER SHOULD CONTACT THE USPTO ONE YEAR BEFORE THE EXPIRATION OF THE TIME PERIODS SHOWN ABOVE TO DETERMINE APPROPRIATE REQUIREMENTS AND FEES.\*\*\***

Serial Number 79/023559

**INTERNATIONAL REGISTRATION NO. 0884096**

This is a **PROVISIONAL FULL REFUSAL** of the trademark and/or service mark in the above-referenced U.S. application. 15 U.S.C. §1141h(c).

### **WHO IS PERMITTED TO RESPOND TO THIS PROVISIONAL FULL REFUSAL:**

Applicant may respond directly to this provisional refusal Office action, or applicant's attorney may respond on applicant's behalf. However, **the only attorneys who can practice before the United States Patent and Trademark Office (USPTO)** in trademark matters are:

(1) Attorneys in good standing with the bar of any U.S. federal court or the highest court of any U.S. state, and

(2) Canadian attorneys who have applied for and received reciprocal recognition by the USPTO under 37 C.F.R. §10.14(c).

37 C.F.R. §10.14; TMEP §602.

Foreign attorneys are *not* permitted to practice before the USPTO, other than properly authorized Canadian attorneys. Preparing a paper, authorizing an amendment to an application, or submitting legal arguments in response to a requirement or refusal constitutes representation of a party in a trademark matter. *A response signed by an unauthorized foreign attorney will be considered an incomplete response.* TMEP §§602, 602.03, 603.05.

#### **THE APPLICATION HAS BEEN PROVISIONALLY REFUSED AS FOLLOWS:**

The assigned trademark examining attorney has reviewed the referenced application and has determined the following:

##### **Search Results**

The Office records have been searched and no similar registered or pending mark has been found that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02.

##### **Drawing**

- Applicant must specify **all** the colors that are claimed as a feature of the mark using the following format: “The colors blue, black, white, and yellow are claimed as a feature of the mark.” 37 C.F.R. §2.52(b)(1); TMEP §807.07(a)(i).

Applicant must provide a description of where the colors appear in the mark. 37 C.F.R. §2.52(b)(1); TMEP §807.07(a)(i). The following description is suggested: “The color yellow appears in the word CAR and in the design element on top of the car. The color blue appears in the words ECONOMY and RENTALS and in the car figure. The colors black and white appear in the car tires and eyes. The color black appears in the words RENTAL-HIRE-RENT A CAR- AUTOVERMIETUNG-MIETWAGEN” Common color names should be used to describe the colors in the mark, e.g., red, yellow, blue. TMEP §807.07(a)(ii).

##### **Disclaimer**

Applicant must disclaim all wording in the mark because it merely describes applicant’s car rental services. Trademark Act Section 6, 15 U.S.C. §1056; TMEP §§1213 and 1213.03(a).

Where the translation of non-English wording in the mark demonstrates that the wording is descriptive, deceptively misdescriptive, geographically descriptive, or generic in connection with the identified goods or services, then that wording comprises an unregistrable component of the mark and is subject to a proper disclaimer requirement in the same way that the English version would be subject to a disclaimer. TMEP §1213.08(d).

Please also note that the format for the disclaimer statement must refer to the actual non-English wording that appears in the mark, not the English translation of that wording. TMEP §1213.08(d). A properly worded disclaimer would thus read as follows:

The computerized printing format for the *Trademark Official Gazette* requires a standard form for a disclaimer. TMEP §1213.08(a)(i). A properly worded disclaimer should read as follows:

No claim is made to the exclusive right to use ECONOMY CAR RENTALS RENTAL-HIRE-RENT A CAR-AUTOVERMIETUNG-MIETWAGEN apart from the mark as shown.

See *In re Owatonna Tool Co.*, 231 USPQ 493 (Comm'r Pats. 1983).

### **Translation**

Applicant must submit an English translation of all foreign wording in the mark. 37 C.F.R. §2.61(b); TMEP §809. In the present case, the wording “AUTOVERMIETUNG” and “MIETWAGEN” needs translating for the record. The following translation statement is suggested: “The English translation of the words “AUTOVERMIETUNG” and “MIETWAGEN” in the mark are “CAR HIRE” and “RENTED CAR”.

### **Identification of Services in Class 039**

The wording in the identification of services is indefinite and must be clarified because the applicant must specify the type of “transport” and clarify what is meant by “travel arraignment” TMEP §§1402.01 and 1402.03.

The international classification of goods and/or services in applications filed under Trademark Act Section 66(a) cannot be changed from the classification the International Bureau of the World Intellectual Property Organization assigned to the goods and/or services in the corresponding international registration. TMEP §§1401.03(d) and 1904.02(b).

Therefore, any modification to this wording must identify goods and/or services in International Class 039, the classification specified in the application for these goods and/or services.

The following substitute wording is suggested, if appropriate: “Transport **by car, organization of travel and arraignment travel tours**, car rental services”

Please note that, while an application may be amended to clarify or limit the identification, additions to the identification are not permitted. 37 C.F.R. §2.71(a); TMEP §1402.06. Therefore, the applicant may not amend to include any goods or services that are not within the scope of the goods and services recited in the present identification.

For assistance with identifying goods and/or services in trademark applications, please see the online searchable *Manual of Acceptable Identification of Goods and Services* at <http://www.uspto.gov/web/offices/tac/doc/gsmmanual>

**CORRESPONDENT'S REFERENCE/DOCKET NO :** N/A

**CORRESPONDENT EMAIL ADDRESS:**

Please provide in all correspondence:

1. Filing date, serial number, mark and applicant's name.
2. Date of this Office Action.
3. Examining Attorney's name and Law Office number.
4. Your telephone number and e-mail address.

## OFFICE ACTION

**RESPONSE TIME LIMIT:** TO AVOID ABANDONMENT, THE OFFICE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF THE MAILING OR E-MAILING DATE.

**MAILING/E-MAILING DATE INFORMATION:** If the mailing or e-mailing date of this Office action does not appear above, this information can be obtained by visiting the USPTO website at <http://tarr.uspto.gov/>, inserting the application serial number, and viewing the prosecution history for the mailing date of the most recently issued Office communication.

Serial Number 79/023559

**INTERNATIONAL REGISTRATION NO. 0884096**

This is a **PROVISIONAL FULL REFUSAL** of the trademark and/or service mark in the above-referenced U.S. application. 15 U.S.C. §1141h(c).

### WHO IS PERMITTED TO RESPOND TO THIS PROVISIONAL FULL REFUSAL:

Applicant may respond directly to this provisional refusal Office action, or applicant's attorney may respond on applicant's behalf. However, **the only attorneys who can practice before the United States Patent and Trademark Office (USPTO)** in trademark matters are:

(1) Attorneys in good standing with the bar of any U.S. federal court or the highest court of any U.S. state, and

(2) Canadian attorneys who have applied for and received reciprocal recognition by the USPTO under 37 C.F.R. §10.14(c).

37 C.F.R. §10.14; TMEP §602.

Foreign attorneys are *not* permitted to practice before the USPTO, other than properly authorized Canadian attorneys. Preparing a paper, authorizing an amendment to an application, or submitting legal arguments in response to a requirement or refusal constitutes representation of a party in a trademark matter. *A response signed by an unauthorized foreign attorney will be considered an incomplete response.* TMEP §§602, 602.03, 603.05.

#### **THE APPLICATION HAS BEEN PROVISIONALLY REFUSED AS FOLLOWS:**

The assigned trademark examining attorney has reviewed the referenced application and has determined the following:

##### **Search Results**

The Office records have been searched and no similar registered or pending mark has been found that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02.

##### **Drawing**

- Applicant must specify **all** the colors that are claimed as a feature of the mark using the following format: “The colors blue, black, white, and yellow are claimed as a feature of the mark.” 37 C.F.R. §2.52(b)(1); TMEP §807.07(a)(i).

Applicant must provide a description of where the colors appear in the mark. 37 C.F.R. §2.52(b)(1); TMEP §807.07(a)(i). The following description is suggested: “The color yellow appears in the word CAR and in the design element on top of the car. The color blue appears in the words ECONOMY and RENTALS and in the car figure. The colors black and white appear in the car tires and eyes. The color black appears in the words RENTAL-HIRE-RENT A CAR- AUTOVERMIETUNG-MIETWAGEN” Common color names should be used to describe the colors in the mark, e.g., red, yellow, blue. TMEP §807.07(a)(ii).

##### **Disclaimer**

Applicant must disclaim all wording in the mark because it merely describes applicant’s car rental services. Trademark Act Section 6, 15 U.S.C. §1056; TMEP §§1213 and 1213.03(a).

Where the translation of non-English wording in the mark demonstrates that the wording is descriptive, deceptively misdescriptive, geographically descriptive, or generic in connection with the identified goods or services, then that wording comprises an unregistrable component of the mark and is subject to a proper disclaimer requirement in the same way that the English version would be subject to a disclaimer. TMEP §1213.08(d).

Please also note that the format for the disclaimer statement must refer to the actual non-English wording that appears in the mark, not the English translation of that wording. TMEP §1213.08(d). A properly worded disclaimer would thus read as follows:

The computerized printing format for the *Trademark Official Gazette* requires a standard form for a disclaimer. TMEP §1213.08(a)(i). A properly worded disclaimer should read as follows:

No claim is made to the exclusive right to use ECONOMY CAR RENTALS RENTAL-HIRE-RENT A CAR-AUTOVERMIETUNG-MIETWAGEN apart from the mark as shown.

*See In re Owatonna Tool Co.*, 231 USPQ 493 (Comm'r Pats. 1983).

### **Translation**

Applicant must submit an English translation of all foreign wording in the mark. 37 C.F.R. §2.61(b); TMEP §809. In the present case, the wording "AUTOVERMIETUNG" and "MIETWAGEN" needs translating for the record. The following translation statement is suggested: "The English translation of the words "AUTOVERMIETUNG" and "MIETWAGEN" in the mark are "CAR HIRE" and "RENTED CAR".

### **Identification of Services in Class 039**

The wording in the identification of services is indefinite and must be clarified because the applicant must specify the type of "transport" and clarify what is meant by "travel arraignment" TMEP §§1402.01 and 1402.03.

The international classification of goods and/or services in applications filed under Trademark Act Section 66(a) cannot be changed from the classification the International Bureau of the World Intellectual Property Organization assigned to the goods and/or services in the corresponding international registration. TMEP §§1401.03(d) and 1904.02(b).

Therefore, any modification to this wording must identify goods and/or services in International Class 039, the classification specified in the application for these goods and/or services.

The following substitute wording is suggested, if appropriate: "Transport **by car, organization of travel and arraignment travel tours**, car rental services"

Please note that, while an application may be amended to clarify or limit the identification, additions to the identification are not permitted. 37 C.F.R. §2.71(a); TMEP §1402.06. Therefore, the applicant may not amend to include any goods or services that are not within the scope of the goods and services recited in the present identification.

For assistance with identifying goods and/or services in trademark applications, please see the online searchable *Manual of Acceptable Identification of Goods and Services* at <http://www.uspto.gov/web/offices/tac/doc/gsmmanual>

**VOTE POWER CORP.**  
(A DEVELOPMENT STAGE COMPANY)

**NOTES TO FINANCIAL STATEMENTS**

**1. ORGANIZATION AND BUSINESS**

Ludlum Construction Co., Inc., a Florida corporation, was founded and incorporated in 1976 by Noah Ludlum. Ludlum was a dredging and land excavating contractor providing dredging services for navigable waterways, lake construction and marinas. It also provided excavation and development relating to construction of golf courses and land subdivisions. Its offices were in Martin County, Florida.

In April 1998, Noah Ludlum resigned as president, turning management over to James Schwarz, who has been employed by the Ludlum since its inception.

In March 1998, Ludlum conducted a private offering under Rule 504 Of Regulation D of the Securities Exchange Act of 1934. On September 18, 1998 Ludlum was approved by the National Association of Securities Dealers (NASD) for listing on the OTC Bulletin Board with the symbol LDLMB.

In fiscal year 2000, Ludlum experienced cost overruns on two jobs. The excessive costs, difficulty in dredging at the St. Lucie County Landfill, and significant underbidding of the job caused a loss of approximately \$240,000 to be recorded on this job. It was finished with an additional loss of \$240,000. Ambiguities and disputes as to the amount of fill removed in the Andros Isle contract caused Ludlum to write off \$150,000.00 on that contract.

Because it was not awarded several key contracts on which it had bid, Ludlum was unable to continue funding its day to day operations and its debt service requirements. On September 11, 2001, Ludlum was forced to cease all operations because a group of secured creditors filed suit to repossess Ludlum's heavy equipment on which it had a lien. Ludlum's management tried unsuccessfully to arrange bank financing in the amount of \$1,200,000 to refinance the company. The few remaining accounts receivable became uncollectible and were written off. In an attempt to reach an agreement, negotiations with Ludlum's bankers continued to no avail.

From June 30, 2000 to the end of the first quarter of 2004, Ludlum was a dormant company with no operations, no income and no expenses. It did however maintain its OTC Bulletin Board listing (Pink Sheets).

**VOTE POWER CORP.(A DEVELOPMENT STAGE COMPANY)**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

In September 2003, a consultant to VotePower Corp. contacted Ludlum and exploratory talks commenced towards creating a business relationship between the two entities. Initial discussions became negotiations that progressed in a positive manner. In order to facilitate the creation of the business relationship, a special meeting of Ludlum's Board of Directors, chaired by James K. Schwarz, Chairman and Chief Executive Officer, was convened on November 22, 2003. A general meeting of Ludlum's shareholders followed the Board of Directors meeting. By a majority vote in favor, Ludlum's shareholders authorized a 2 for 1 stock split of its B common stock, an increase in the number of common B stock authorized from 10,000,000 to 250,000,000 shares and the appointment of Floyd D. Wilkenson as Ludlum's Sole Director and Trustee. All prior members of management and the board of directors submitted resignations which were accepted by Mr. Wilkenson.

On December 1, 2003, Ludlum filed documents with the Secretary of State of Florida, increasing the authorized capital stock from 10,000,000 shares to 250,000,000 shares. On December 2, 2003, Ludlum was reinstated once again as an operating company. The 2 for 1 stock split became effective on December 12, 2003. The Depositary Trust Company was notified of the 2 for 1 stock split on December 16, 2003. The total issued and outstanding shares became 7,432,800 shares.

On December 23, 2003, a Letter of Intent was signed indicating the desire of both Ludlum and Vote Power Corp. to consummate an Asset Purchase and New Management Agreement. The assets that would be purchased are the hardware and software programs that constitute the electronic voting system described below. Consideration for this purchase would be the issuance of 30,000,000 shares of Issuer's B common stock to Vote Power Corp. This common stock would be restricted investment stock as defined in Rule 144 of the Securities & Exchange Commission. As additional consideration, Ludlum's Sole Director and Trustee, Mr. Floyd D. Wilkenson, resigned from his position and be replaced by three executives of Vote Power Corp.

**VOTE POWER CORP.(A DEVELOPMENT STAGE COMPANY)**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**2. BASIS OF PRESENTATION**

The accompanying unaudited financial statements and related footnotes have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial statements and pursuant to the rules and regulations of the Securities and Exchange Commission for Form 10-QSB. Certain information and footnote disclosures normally included in financial statements prepared in accordance with the above accounting principles have been condensed or omitted pursuant to such rules and regulations, although the Company believes that the disclosures are adequate to make the information presented not misleading. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements.

In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. The results of operations for the six months ended September, 2004 are not necessarily indicative of the operating results that may be expected for the year ending December 31, 2004 and 2005.

**VOTE POWER CORP.(A DEVELOPMENT STAGE COMPANY)**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**Going concern**

These financial statements have been prepared in accordance with generally accepted accounting principles applicable to a going concern that contemplates the realization of assets and the satisfaction of liabilities and commitments in the normal course of business. As at September, 2004, the Company has not recognized revenue to date and has accumulated operating losses of approximately \$2,026,941 since its inception. The Company's ability to continue as a going concern is contingent upon the successful completion of additional financing arrangements and its ability to achieve and maintain profitable operations. Management plans to raise equity capital to finance the operating and capital requirements of the Company. Amounts raised will be used to further development of the Company's products, to provide financing for marketing and promotion, to secure additional property and equipment, and for other working capital purposes. While the Company is expending its best efforts to achieve the above plans, there is no assurance that any such activity will generate funds that will be available for operations.

These conditions raise substantial doubt about the Company's ability to continue as a going concern. These financial statements do not include any adjustments that might arise from this uncertainty.

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Development stage activities**

There were no financial activity, either from collections or disbursements, for the years 2002 and 2003. As a result, the filings for 2002, 2003, as well as the current filings, contain no audited financial statements. The Company has been unable to find a certified public accountant who would audit the financial records available for the years 2002 and 2003.

All of the Company's operating results and cash flows reported in the accompanying financial statements from its inception are considered to be those related to development stage activities and represent the 'cumulative from inception' amounts from its development stage activities required to be reported pursuant to Statements of Financial Accounting Standards (SFAS) No. 7, Development Stage Enterprises.

**VOTE POWER CORP.(A DEVELOPMENT STAGE COMPANY)**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**Use of Estimates**

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that effect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Recent accounting pronouncements**

Management does not believe that any recently issued, but not yet effective accounting pronouncements if currently adopted would have a material effect on the accompanying financial statements.

# Nevada corporation

From Wikipedia, the free encyclopedia

A **Nevada corporation** is a corporation incorporated under Chapter 78 of the *Nevada Revised Statutes* of the U.S. state of Nevada.

Nevada, like Delaware (see Delaware corporation), is well known as a state that offers a corporate haven. Many major corporations are incorporated in Nevada, particularly corporations whose headquarters are located in California and other Western states.

## Piercing the veil

Nevada law provides extremely strong protection against piercing the corporate veil, where a corporation's owners can be held responsible for the actions of a corporation. For instance, from 1987 to 2007, there was only one case that successfully pierced the corporate veil of a Nevada corporation, and in this case the veil was pierced due to fraud on the part of the corporation's owners.

Because the provisions on "piercing the corporate veil" are corporate governance matters, if a corporation chartered in California, for example, (which has much more creditor friendly provisions permitting this) is sued anywhere, California law applies, but if a corporation chartered in Nevada, which operates only in California, is sued in a California court, the California court would use Nevada law in determining what the requirements permitting this (Note that foreign corporations, including those, for example, incorporated in Nevada, may be subject to California Corporation Code 2115). On the issue of "piercing the corporate veil," Nevada law applies (which is much more supportive of the corporation's interest), even if the corporation only operates in California and has never had any other contact with Nevada and is simply chartered there as a "flag of convenience."

## Director primacy

Nevada's laws offer flexibility to a board of directors in managing the affairs of a corporation, and permit management to put in place strong protection from hostile takeovers. Nevada (unlike other states) permits the corporation's articles of incorporation to vest authority to adopt, amend or repeal bylaws exclusively in the directors, so that shareholders would not be able to change the corporation's bylaws.

## Tax benefits

Nevada's tax structure is also a large benefit to incorporation in Nevada. Nevada has no franchise tax. It also has no corporate income tax or personal income tax.<sup>[1]</sup> While Nevada likes to promote that there are "no corporation taxes" in the state, there is an annual \$200 "Business License Fee" which is paid to the Secretary of State's Office at the time of formation or renewal of the corporation. Nevada additionally applies a 1.17% tax on gross wages to most businesses with a payroll over \$62,500.<sup>[2]</sup> Nevada and Texas are the only two states that do not have information sharing agreements with the Internal Revenue Service.<sup>[3]</sup> In addition there are,

- No state corporate income tax, franchise tax, personal income tax, or taxes on corporate shares
- No IRS information-sharing agreement (although other states' incorporation laws often supersede Nevada law in certain cases)
- Low annual fees and minimal reporting/disclosure requirements
- Stockholders, directors, and officers are not public record, not required to reside or hold meetings in Nevada, and are not required to be US citizens
- Directors not required to hold stock
- Officers/directors are protected from personal liability for lawful acts of the corporation
- Corporations may purchase, hold, sell, or transfer shares of its own stock
- Corporations may issue stock for capital, services, personal property, or real estate, including leases and options
- Directors may determine the value of any transactions; their decision is final once determined

## Regulatory competition debate

Organizers of a business generally have a choice on where to incorporate the business. In the United States, corporations are generally organized pursuant to state law, rather than federal law. Moreover, a business need not establish or maintain a physical presence in a state in order to incorporate under the state's general corporation law. If the corporation transacts business in a state other than the state of incorporation, it is considered by the other state to be a foreign corporation. *See* NRS Chapter 80. For example, a business may be headquartered in San Jose, California but incorporated in Nevada. The corporation is a Nevada corporation and the State of California will consider it to be a foreign corporation. *See* California Corporations Code Section 171.

In the United States, states generally, but not invariably, follow the internal affairs doctrine. "The internal affairs doctrine is a conflict of laws principle which recognizes that only one State should have the authority to regulate a corporation's internal affairs ... because otherwise a corporation could be faced with conflicting demands."<sup>[4]</sup> Under the internal affairs doctrine, courts will generally apply the law of the state of incorporation to the "internal affairs" of the corporation.

States can derive revenues through the incorporation of businesses. These revenues include direct payments to the state in the form of filing and other fees. The state can also receive revenues indirectly through businesses (law firms, resident agents, accounts and other service providers) to corporations. The Nevada legislature has tried to make Nevada an attractive alternative to Delaware as a state for incorporation. In many instances, it has tried to "out Delaware" Delaware.

Disputes over the internal affairs of Nevada corporations are usually filed in the Nevada District Courts, from which judgments can be appealed to the Supreme Court of Nevada, the state supreme court. Because of the large number of corporations chartered in Nevada, the courts in that state are more focused on the application of corporate law than the courts of most other states. Nevada's courts are developing a strong body of case law that serves to give corporations and their counsel guidance on matters of corporate governance, although Delaware and some other states have a larger body of such case law.
